

Fantastic Fabric Foiling

with Melody Crust

3 hour workshop

All skill levels, technique

Bring your projects to life with instant glitz and shine. Foiling on fabric is easy, fun and permanent. This informative hands-on workshop is for both traditional and non-traditional quilt and clothing makers.

Supply List

Fabric for experimentation: manageable sizes like fat quarters, eight to ten: some dark and light solids, and some with a little texture.

Paper scissors

Fabric scissors

Freezer paper: about two yards
