

For the Love of Color

with Melody Crust

One or half day workshop

All skill levels, design

What you always wanted to know about color but were afraid to ask! Using a wide range of fabrics, you will be introduced to a variety of color concepts. Learn all those scary terms: value, tint, and tone, with simple easy to understand exercises.

Supply List

Masking tape

Flannel or cotton batt for the wall

Note paper & pencil

Two identical groups of (25) - 4" 100% cotton fabric squares.

These fabrics should be a wide range of color and value-
